"LiveNote is the leader in realtime and transcript management technology for attorneys, and their Certified LiveNote Reporter™ program is an absolute MUST for every court reporter. I cannot emphasize that enough."

**Susan Gioffre, Past-President of the
New Jersey Certified Court Reporters Association**

"It was a pleasure to be in your Certified LiveNote Reporter class. I learned more than I ever dreamed I could learn about this program in one day. It was informational and presented in a context that was easy to follow and understand. Thank you so much; I will highly recommend your course to everyone."

**Brenda J. Rissmeyer, C.C.R., CLR,
Guy J. Renzi & Associates in Trenton, NJ**

"I just wanted to say thank you for a wonderful seminar. My confidence level was increased tremendously, and I have already given some tips to my attorneys!"

Rebecca Schaumloffel, RPR, CLR

"I want to tell you again how much I enjoyed the CLR seminar. It is exactly what I was needing, and I feel so much more confident going into a realtime job now. It was so informative – I am really glad I became certified."

Tami Wright, RMR, CRR, CLR

"I want to thank your company for putting on the CLR seminar. It has empowered me in so many ways. For the first time, I look forward to the next time I get to help an attorney to get his computer set-up for realtime. And since my CLR membership includes the software my attorneys will use, I can play with it and become more knowledgeable about it. All the tips I learned will be very helpful."

Donna Peterson, CRR, CLR

"The CLR seminar was great. I learned a lot and really enjoyed my Saturday. Thank you."

Kimberly T. Hoff, CSR, RPR, RMR, CLR

"Thank you so much for all of your help. I'm so glad I attended the training. I look forward to the next time an attorney is having problems and I get to be the hero!"

"Thanks so much. And thank you for coming to Austin. I feel confident enough to walk into a room of attorneys and hook-up is no problem now. This is a great course that more reporters need to take."

Leslie Kesterson, CRR, CLR

"Great training; enjoyed it a lot!"

Peggy Fritschy Hamilton, CRR, CLR

"I found the LiveNote training seminar very beneficial. It has added another dimension to what I have been doing for 25 years. Having taken the course, I feel confident that the next LiveNote deposition I take will go smoothly. Learning all the neat things that the attorneys can do with the program was an added benefit. It's pretty amazing software. Thanks again for sharing your expertise and making the course so enjoyable."

Pam Chorlog, RDR, CRR, CLR

"Recently I received and accepted my first call for a realtime jury trial assignment. Since I had absolutely no idea how to hook up, transfer and buy tokens, configure com ports, or any logistics of a realtime assignment, I signed up for the first Certified LiveNote Reporter Program available. The class was presented in an easy-to-understand format for those of us with no realtime or LiveNote experience behind us. Pam Marty walked us through every troubleshooting problem that could occur and I was able to network with some super-seasoned realtime reporters! Everyone was helpful and educated me on how to be a success with realtime the first time around."

"Shortly after completion of the course, I hooked up to my clients in the courtroom and let the magic of LiveNote unfold before them! They were so impressed with their feed that they've booked me for two more trials in April and recommended opposing attorneys hook up as well. The seminar was absolutely the key to my success! The Certified LiveNote Reporter Program was a great experience and I recommend it to any reporter even remotely interested in realtime! This is the way to go."

Eve J. Barrett, RPR, CLR, Dunedin, FL
